(U//~~FOUO~~) Caveat: Individuals or groups named in this opening have been identified as participating in activities that are protected by the First Amendment to the U.S. Constitution. Their inclusion here is not intended to associate the protected activity with criminality or a threat to national security, or to infer that such protected activity itself violates federal law. However, based on known intelligence and/or specific, historical observations, it is possible the protected activity could invite a violent reaction towards the subject individuals or groups, or the activity could be used as a means to target law enforcement or U.S. Citizens. In the event no violent reaction occurs, FBI policy and federal law dictates that no further record be made of the protected activity.

NARRATIVE

On October 2, 2019 at 21:52 hours Sgt was able to locate one of the hate/Bias stickers for the Patriot Front Group. The sticker was located on the pole by the walkway between Richmond and Newell Hall. Pictures of the posted sticker was taken and SD card was submitted per TU policy. We were able to remove the (3inX4in) sticker without damaging Towson University property. At this time there are no witnesses or suspects in the area. All units were advised to patrol the campus to see if they could locate any more of the hate/bias stickers. Communications advised me that No further information to provide at this time.

Sgt notified the On-Duty Commander in reference to this incident.

NATO Sign -Northampton Blvd

Hi there,

Do you all have anything on the Patriot Front in our AOR? The NATO sign on North Hampton Blvd was tagged with a sticker/poster and of course they are concerned about whether this is just an isolated incident or possible direct targeting.

Thanks!
